

FAMILY STABILITY PROGRAM

Serving Brevard, Lake, Marion, Orange, Osceola, Polk, Seminole, Sumter, and Volusia Counties

The Family Stability Program has three goals: serve the working poor who experience a crisis and are seeking financial assistance to remain in their homes, provide important resources to people in need who are facing the threat of eviction or other crisis and provide services that are convenient for people in need to access.

This assistance helps prevent hunger and homelessness by providing clients with one-on-one case management that guide families to self-sufficiency.

“It was such a blessing. I got on my knees and thanked God. I asked for help and he heard.”

– Eliza Lugo, former Family Stability Program client
