VETTED PREGNANCY RESOURCES by County

As part of the vetting process, the **Culture of Life Office** sends an annual survey to all pregnancy centers in the nine counties we serve. This list reflects **only** those centers that completed the survey.

PRC – Pregnancy Resource Center

Provides support, education, and resources for women and families facing pregnancy.

PMC – Pregnancy Medical Clinic

Offers medical pregnancy services such as testing and ultrasounds.

MMU – Mobile Medical Unit

A traveling medical clinic that brings pregnancy services directly to communities.
